

SAVING LIVES • RESTORING FAMILIES • CHANGING LEGACIES

MIGHTY OAKS

★ FOUNDATION ★

[www.MightyOaksPrograms.org](http://www.MightyOaksPrograms.org)

# OUR MISSION

To serve and restore the Military and First Responders communities who have endured hardship in their service by connecting them to a new life purpose in Christ using resiliency and recovery programs.

# OUR GOALS

1. Eliminate suicide in the Military and First Responder communities.
2. Break the cycle of divorce in the Military and First Responder communities.
3. Develop healthy family legacies.
4. Train Warriors to be resilient in the face of everyday trials.
5. Encourage Warriors to serve and impact their communities.

# WHO WE ARE

The Mighty Oaks Foundation is committed to serving Warriors in need around the globe through intensive peer-based discipleship programs, outpost meetings, speaking, and resiliency events. We have programs for Men, Women, and Married Couples at multiple locations nationwide and globally. Those who attend our programs are fully sponsored, to include meals, lodging and travel, ensuring their sole focus is on resiliency, recovery and identifying purpose as they move forward.

# LEADERSHIP TEAM

Since all of our instructors are program alumni, they have the unique ability to empathize and connect with the Warriors and their families. Every Mighty Oaks instructor has experienced tragedy and hardships stemming from their service. Having endured deployments, family separations, and Post-Traumatic Stress, the instructors are able to connect with the students on a peer level, creating a forum not found in clinical environments.

# RECOVERY: LEGACY PROGRAMS

Our intensive peer-to-peer based programs serve as the catalyst to assist warriors in critical need around the world, in discovering the answers to the big questions in life, dealing with challenges related to the struggles of their service, combat deployments, and the symptoms of post-traumatic stress (PTS). Our programs are available at **NO COST** to service men & women and are held at beautiful locations across the U.S. and internationally.

# RECOVERY: AFTERCARE

The week spent at the Legacy Program is an incredible time marked by life changing decisions. From the moment these decisions are made, our Warriors begin an exciting and challenging journey. In addition to the other tools they are given, trained mentors come along side to help them live out those decisions. These mentors are equipped and passionate about ensuring the success of each program graduate.

THROUGH THE MISSION OF MIGHTY OAKS FOUNDATION, WE HAVE  
AFFORDED OVER 5,000 WARRIORS THE OPPORTUNITY TO ATTEND ONE  
OF OUR LEGACY PROGRAMS IN THE LAST TEN YEARS.

# RESILIENCY EVENTS

The United States Military is the most equipped fighting force in the world in terms of manpower and equipment. These brave men and women have provided a blanket of freedom for America, and other nations of the world, where we answered the call to fight for those who could not protect themselves. However, at times that freedom comes at a cost resulting in combat stress or Post Traumatic Stress, Veteran suicide, and the divorce of our military families. Mighty Oaks has reached over 400,000 through our Resiliency events and we have handed out over 250,000 books to help our Nation's Warriors and those Warriors around the world.

**TO TAKE AN OFFENSIVE ROLE IN THE WAR AGAINST PTS, VETERAN SUICIDE & DIVORCE, MIGHTY OAKS CONDUCTS RESILIENCY EVENTS FOR THE US MILITARY, AND OUR ALLIED MILITARIES AROUND THE WORLD, IN THE FOLLOWING AREAS:**

- Pre-Deployment Briefings for Warriors and Families
- Combat Resiliency Training Conferences
- Post Combat Reintegration Conferences
- Suicide Prevention Conferences

# INTERNATIONAL

America's Warriors remain at the forefront of the Mighty Oaks mission as we continue to serve tens of thousands per year. What we realize, though, is that spiritual battles are not unique to those serving in the military of the United States. With that realization we feel called to serve our allied military partners throughout the world using the same methodology that has made us so successful with America's Warriors.

The 4 Pillars of Resiliency— Mind, Body, Spirit, Social —transcend all boundaries and nationalities and we can't keep that to ourselves! For that reason, you will find Mighty Oaks personnel around the world, even in the most austere environments, as we strive to build and restore resilient Warriors through the work of Mighty Oaks International. Our mission of **SAVING LIVES, RESTORING FAMILIES,** and **CHANGING LEGACIES** remains the same, but our vision has expanded as we strive to create resilient Warriors around the world!

On October 13th, 2023, Mighty Oaks welcomed the first of many graduating classes of our International Legacy Program at SkyRose Ranch. This program is built off the success of our Legacy Program while also catering to the unique experience and needs of the Afghan SIV Community.

# ADVOCACY

Mighty Oaks utilizes the quantifiable data of the historical successes of our program methodologies to advocate for the military community to have access to faith-based programs through the Department of Defense and Veterans Administration. We have successfully led bi-partisan efforts in Washington DC with Congress, the Senate and the White House to pass policy and legislation supporting faith solutions for our Warriors.

# BE PART OF THE SOLUTION

Our programs are offered free of charge to all Active Duty Service Members, Veterans, First Responders, and Spouses. Consider giving to our Scholarship Fund by sponsoring a Warrior for \$3,500 and help us to reach those who are struggling with the effects of trauma, leading them to restoration, hope, and purpose moving forward.

“THE MIGHTY OAKS TEAM PULLED TOGETHER TO HELP LIFT ME UP THROUGH DARK TIMES; I HAVE CHOSEN TO DEDICATE MY LIFE TO HELPING OTHER VETERANS STRUGGLING WITH SOME OF THE SAME CHALLENGES I HAVE HAD TO FACE...”

- MIGHTY OAKS PROGRAM GRADUATE

# SUPPORT PACKAGE

We understand the need to be able to show the impact that your donation is making on the lives of the warriors our programs serve. We will provide a custom package of annual content for you to provide updates to your audience of the incredible work that you're enabling through your support of Mighty Oaks. We can customize this content to include your church or organization's branding. Here's an overview of what you can expect each year from us.

**Mighty Oaks Foundation - Year In Review Video**

**Access To A Private Gallery Of Photos Showing Scanned Thank You Letters From Legacy Program Graduates**

**Mighty Oaks Impact Report - Includes Narrative Reporting With Your Organization's Branding**

**A Mighty Oaks Speaker Will Be Available To Speak To Your Congregation Annually**

# CASE STATEMENT

## THE CHALLENGE

*According to the Department of Veteran Affairs, every day in America, over twenty veterans commit suicide. The V.A. Hotline receives an average of 400 calls per day. We've recently hit the highest military active duty suicide rate in years. At the same time, the divorce rate among active military personnel and returning Veterans is staggering, impacting Veterans, as well as their families. Many combat vets are unable to reintegrate back into civilian life leaving their families to work through the aftermath.*

## THE SOLUTION

*Our purpose is to heal the brokenhearted by addressing the spiritual injury of combat trauma and to reverse its effects in these families that have already sacrificed so much for our nation. After more than 5,000 alumni to our programs, we have one of the highest success rates for any program in preventing veteran suicide and divorce. In fact, our programs are so successful that we receive hundreds of active duty military on official orders.*

## OUR PROGRAMS

*Through instructional sessions, camaraderie, and team building activities, our programs teach Warriors to overcome their past experiences and move forward into a life of purpose. However, our recovery programs don't end with the program itself, what sets Mighty Oaks apart is our Aftercare Program, continued engagement and the support network we provide. We have grown our Aftercare to over 40 outpost locations nationwide. Additionally, we've reached over 500,000 active duty through our Military Resiliency events and have handed out numerous books & free resources, amplifying our message and exponentially growing the numbers we are able to extend a lifeline to.*

## OUR MISSION

*Our mission is to serve and restore the Military and First Responders communities who have endured hardship in their service by connecting them to a new life purpose in Christ using resiliency and recovery programs.*

## HOW CAN I GET INVOLVED?

*Our programs are offered free of charge to all Active Duty Servicemen, Veterans and Spouses.*

*The cost to bring a Warrior through our program is \$3,500.*

*These funds are raised by the support of a grateful nation, through our speaking and fundraising events and generous monthly supporters.*

## Consider giving to our Scholarship Fund

*by sponsoring a Warrior for \$3,500 and help us to reach those who are struggling with the effects of combat trauma, leading them to restoration, hope and a purpose moving forward.*

**Mighty Oaks Foundation**  
*is a 501(c)(3) tax exempt Non-Profit organization.  
All donations are tax deductible.*

*33134 Magnolia Circle, Suite A Unit 10  
Magnolia, TX 77354*
